

Description

The Westport Steel Gas Stove is an affordable solution for a mid-size to large living space. It offers the performance of the original Westport Cast Iron Gas Stove with a more modern design and steel outer construction. It's available in both Nova or IPI and can be vented top or rear, and is also compatible with a B vent.

Design Features

- Remote thermostat compatible
- Steel construction
- Ceramic log set
- Quick release glass door system
- Top vent / Rear vent
- Optional B vent adaptor
- Clear/View Safety Screen
- Optional 150 CFM fan
- Nova and IPI editions
