

THE WESTLEY

CAST IRON FREESTANDING STOVE

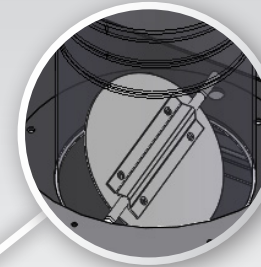

High Efficiency

The Westley has an impressive efficiency rating, due in part to the innovative heat exchanger design.

Flue Adjustments

Flue restrictor can be adjusted externally during operation to have better control over your flame.

Log Set

An ultra high definition 8 piece ceramic log set gives the Westley a natural looking burn with a beautiful glow.

Variable Speed Fan

The Westley comes with a 130 CFM variable speed fan included standard.

European Made Cast Iron

The Westley uses a high quality cast iron construction. Available in both painted black and antique bronze.

180° Viewing Angle

The beautiful burn of the Westley is visible on 3 sides with a total glass area of 525 in².
